EDUCATION

- **Post-doctoral Training.** University of California-Los Angeles, Department of Psychology, Los Angeles, CA. 1997- 2001
- **Pre-doctoral Clinical Internship.** University of California-San Diego/VA Medical Center Consortium, San Diego, CA (APA approved), 1996-1997
- **Doctoral studies.** Temple University-Philadelphia, PA. **Ph.D. in Clinical Psychology** (APA approved), conferred August 1997
- **Undergraduate studies.** University of Michigan-Ann Arbor, MI. **AB in Psychology** with High Honors, conferred May 1989

CURRENT POSITIONS

- **Professor**, Department of Psychology, Virginia Commonwealth University. 2013-present.
- **Associate Chair**, Department of Psychology, Virginia Commonwealth University. 2015-present.
- **Director of Graduate Studies**, Department of Psychology, Virginia Commonwealth University. 2010-present.
- **Co-Director**, Anxiety Clinic, Department of Psychology, Virginia Commonwealth University. 2003-present

PROFESSIONAL LICENSURE

Commonwealth of Virginia, Clinical Psychology License, #0810003041

RELEVANT EMPLOYMENT HISTORY

- **Associate Professor**, Department of Psychology, Virginia Commonwealth University. 2006-2013.
- **Assistant Professor**, Virginia Commonwealth University. 2001- 2006.
- **Assistant Research Professor**, University of California-Los Angeles (UCLA), Department of Psychology, 2000-2001
- **Project Director**, UCLA, Department of Psychology (PI: John R. Weisz, Ph.D.) 1997-2001
- **Residential Counselor**, Ruth Dykeman Children's Center, Seattle WA 1990-1991

RESEARCH FUNDING

Current

Title: Development of a Pragmatic Treatment Integrity Instrument for Child Therapy.

Dates: 2016-18

Role: Co-I

Source: National Institute of Mental Health (NIMH)

Award type: R21

Description: The objective of the two-year grant is to develop a practical, short, and easy to use observational treatment integrity instrument capable of assessing the extent to which a therapist delivered cognitive behavioral therapy for youth anxiety with integrity and skill. The development of this practical instrument will help support the evaluation, implementation, and sustainability of evidence-based treatments in community settings.

Award number: R21-MH109666

Direct costs: \$431,244

Current

Title: Development and Validation of Treatment Integrity Measures for Classroom-Based Interventions.

Dates: 2014-2018

Role: Co-I

Source: Institute for Educational Sciences (IES)

Award type: Goal 5

Description: Project involves development of adherence/competence tools related to teacher-delivered interventions in preschool classrooms.

Award number: R305A140487

Direct costs: \$1,599,923

Current

Title: Local quality assurance tool for family therapy in usual care for adolescent substance use

Dates: Feb. 2015 to January 2019

Role: Co-I (PI: Hogue)

Source: National Institute of Drug Abuse

Award Type: R01

Description: Empirically distill the core intervention techniques of manualized family-based treatments for ASU in order to produce a non-proprietary, psychometrically valid quality assurance (QA) toolkit that can promote high-fidelity implementation of family

therapy by community practitioners in routine care.
Award number: R01 DA037496
Direct costs: \$1,645,806

Completed

Title: Development and Validation of Child Therapy Integrity Measures.
Dates: May 2010-Feb. 2016
Role: PI
Source: National Institute of Mental Health (NIMH)
Award type: R01
Description: Project involves development of treatment integrity measures.
Award number: R01MH086529
Direct costs: \$1,125,000

Completed

Title: Measuring and improving supervisor adherence and competence.
Dates: 2012-2015
Role: Consultant
Source: National Institute of Mental Health (NIMH)
Award type: R21/R33
Description: Project involves development of a supervision adherence/competence tool (R21) and the implementation of that tool in a quality improvement project related to multisystemic therapy (MST).
Award number: R21MH097000
Direct costs: \$181,000

Completed

Title: Adaptation of Evidence-Based Child Therapy in Context.
Dates: April 2005-June 2010
Role: PI
Source: National Institute of Mental Health (NIMH)
Award type: K23
Description: Project involved training and research projects designed to identify factors necessary to consider in adapting mental health treatments for use in community clinics.
Award number: K23MH69421
Direct costs: \$599,655.

Completed

Title: Diversity Supplement to Development and Validation of Child Therapy Integrity Measures.
Dates: Aug. 2011-Feb. 2014
Role: PI
Source: National Institute of Mental Health (NIMH)
Award type: Diversity Supplement to R01
Description: Project involves training of a graduate student in the development of treatment integrity measures, with a focus on benchmarking.
Award number: R01MH086529-S1
Direct costs: \$145,842
