I agree to be the primary mentor for this student's undergraduate honors thesis in Psychology. An honors thesis should be a project that is like a Master's thesis (though not necessarily of the same scope and complexity). It should be proposed in the Fall of the student's senior year and needs to be defended before the end of classes in the semester that the student plans to graduate.

THIS APPLICATION SHOULD BE RETURNED TO Dr. Wendy Klierer in the Psychology Office, located at 806 WEST FRANKLIN STREET, RM 101.
