

## Dear Prospective Psi Chi Member:

The VCU Chapter of Psi Chi ( $\Psi\chi$ ) cordially invites you to apply for membership. Psi Chi is the International Honor Society in Psychology, and membership depends upon class standing and academic achievement. Membership is a lifetime honor, and our members enjoy an array of benefits. We accept both undergraduate and graduate students.

Are YOU eligible to join VCU Psi Chi? The criteria are listed below. If you meet them all then you are invited to join!

### Here are the criteria for UNDERGRADUATE STUDENTS:

- You are at least a second semester sophomore.
- **You are a psychology major or minor.** Dual majors accepted.
- You have completed at least 12 semester hours of coursework in Psychology [here at VCU](#)
- You have at least a 3.0 cumulative GPA at VCU. We do not round up GPAs.
- You have a 3.3 GPA in Psychology courses [here at VCU](#). We do not round up GPAs.

Psi Chi is the National Honor Society in psychology, founded in 1929 for the purposes of encouraging, stimulating, and maintaining excellence in scholarship, and advancing the science of psychology. Psi Chi provides national recognition for academic excellence in psychology, an honor which can be noted on employment applications, vitae, and resumes. Members also receive a membership certificate, pin, and wallet card and are eligible to wear honor chords, medallions, and stoles at graduation. Membership in Psi Chi is for life, and **the registration fee is \$75.00**. \$55.00 of the fee goes toward your lifetime membership and \$20 is your local VCU chapter dues. This is your one-time only payment. The Psi Chi National Office provides references throughout each member's lifetime.

**There are two recruiting drive deadlines: October 1 for the Fall Semester and March 1 for the Spring Semester.** These are our two main recruiting drives; however, we do accept applications on an ongoing basis.

**How to Apply:** Applying to VCU Psi Chi is a THREE-STEP process. Before you begin, review the requirements above; be aware that VCU's requirements may be different than those of other colleges or universities. If you meet ALL the requirements, then follow the steps outlined on the next page.

### Step One: The Paper Application/Checklist process:

1. Print a hard copy of the application/check list on the next page (page 3).
2. Fill out the checklist carefully PRINTING your name, email, and semester/year of graduation.
3. Download and print an unofficial copy of your VCU transcript.

4. Get a check or money order in the amount of \$75 payable to “VCU Psi Chi”.
5. Put the application, transcript and check/money order in an envelope addressed to Dr. Donahue and give it to the receptionist in the White House (806 West Franklin Street) and ask them to place it in Dr. Donahue’s mailbox. If you want to pay by cash, put everything in the envelope and give it to the receptionist at the White House. It’s not a good idea to mail cash. If you are off campus, contact Dr. Donahue (donahuetj@vcu.edu) for his home mailing address and you can mail everything to him.

### **Step Two: The Online Application process:**

1. Go to the [online application page](#).
2. Read the qualifications for application and select **APPLY NOW**.
3. Choose Virginia Commonwealth University from the **Local Chapter** drop-down menu and fill out the application including your name, email address, and other required information.
4. At the bottom of the page, check the box authorizing the faculty advisor (Dr. Donahue) to review your college records to determine and verify you meet VCU’s eligibility requirements.
5. Add your Name/Signature and select **SUBMIT**.

### **Step Three: Reviewing and verifying your application:**

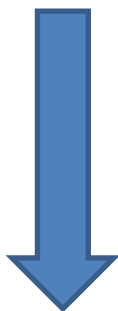

When Dr. Donahue receives your application, check and transcripts he will review them to make sure you meet the criteria, and he will notify you of your status. If you are accepted, we will go online to the National Psi Chi site to approve of your membership application. ***\*\*REMEMBER that simply completing the online application does not automatically make you a member! You will become a member once the VCU Chapter gives approval.*** If it is discovered that you do not meet the criteria your check and transcripts will be returned to you.

\_\_\_\_\_ I am a psychology major or minor. Dual majors accepted.

While psychology courses taken elsewhere may transfer in for credit toward my major or graduation, VCU Psi Chi requires that every applicant have completed 12 semester hours of psychology coursework HERE AT VCU.

\_\_\_\_\_ Using your transcript, count and write on the line the total number of *semester hours* in psychology courses you have taken and completed here at VCU and for which you have been given a grade. Do not count any courses for which you have not yet finished and not yet been given a grade. Obviously, if you do not have a minimum of 12 semester hours in psychology courses taken at VCU you cannot (yet) apply for membership in Psi Chi.
